Working with talented artists to produce beautiful counted cross stitch designs

Welcome to the latest catalogue from Heritage Crafts. Most of our designs are shown in this catalogue and we constantly introduce new ones, which are advertised in needlework magazines and can also be viewed on our website.

Heritage Crafts is a family business. We have been producing cross stitch kits since 1987 and have built up a business which is highly respected all over the world. Our designs are of a very high standard and cater for everyone, male and female, from young children and beginners to expert stitchers. Attention to detail and accuracy are very important to us and we produce clear charts and instructions. We use the finest quality materials, including Zweigart fabric and DMC stranded cottons threaded onto organisers.

Our kits are produced here in Staffordshire by staff whom we consider to be part of the 'family'. Most of our staff are stitchers and there is always someone to help you if you have a query. Our customer service is second to none.

All our designs are available from your local stockist, but in case of difficulty please 'phone Heritage Crafts on 01889 575256 for details of other stockists. Alternatively, if you cannot find a suitable stockist, please 'phone Heritage Direct on 01889 585666 during normal office hours, or visit our website, www.hcrafts.com

As well as all our beautiful cross stitch kits and charts, we distribute Zweigart fabric and can offer a manufacturer's supply and cutting service. All of Zweigart's products are shown in a separate catalogue which is available from us. We are also the distributors for Handeze Therapeutic Gloves in the United Kingdom. Please call 01889 575256 for more information.
