Along the Countryside complete project includes 10 Prints / 13 Bolts

Note: Yardage amounts shown are calculated based on standard editorial guidelines and feature commonly used cuts. Please refer to the cutting information for the exact size of each piece. You will want to base your kit fee on the piece cuts rather than the full yardage amount. As always, we recommend that you make a shop sample prior to creating any kit.

Please note that these yardage amounts are the designer's estimates only. Some changes may occur when the project instructions are written.

Windmill Whimsy complete project includes 9 Prints / 10 Bolts

Note: Yardage amounts shown are calculated based on standard editorial guidelines and feature commonly used cuts. Please refer to the cutting information for the exact size of each piece. You will want to base your kit fee on the piece cuts rather than the full yardage amount. As always, we recommend that you make a shop sample prior to creating any kit.

Please note that these yardage amounts are the designer's estimates only. Some changes may occur when the project instructions are written.
