

muud

Collection guide

Premium tools for professionals
– let your personality shine

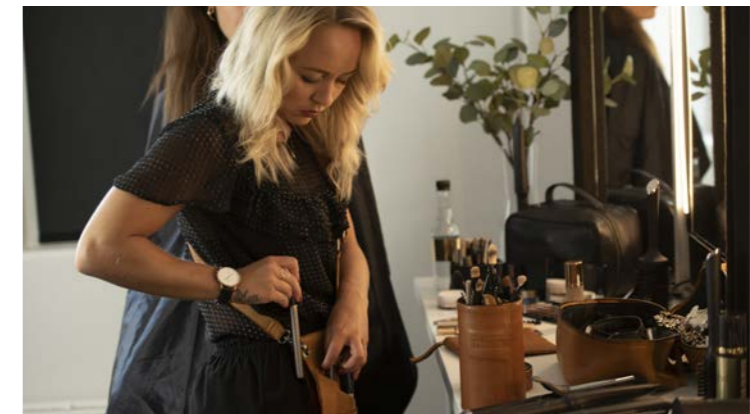

"We founded muud in 2016, because we wanted to offer what the industry was missing: A quality accessory brand for skilled hair and make-up professionals. A brand that offers a timeless look, combining past and present".

Martin Kiil, Founder

● Accessories that beautifully fuse aesthetics and functionality.

● muud is deeply rooted in the Scandinavian design mindset.

● With a sincere passion for craftsmanship and long-lasting materials.

● Every item is designed with professionals in mind.
