She is no wildflower, but she knows her strengths and what she stands for. In a field full of other flowers, she is pure and finds herself, even when it rains heavily or when the sun blazes down on her gentle petals. Her colors do not fade because of her inexhaustible inner power that makes her shine. This color world stands for purity and everything that is sincere. The softest of pastel shades alternate in the most exquisite creations. Designs that do not make you fade away but blossom. These are the kinds of designs that can easily be compared to classical beauties. Exciting creations which can be worn in many different ways, but also marvelous yarn compositions that let you blend in with nature. By wearing these unique designs, you will automatically become a classical beauty as well.

nu (devotions)

In this world of hues, colors change quickly... for example: delicate lemon yellow, strong orange, lovely peony pink, cool ocean colors and icy blue... This world stands for strength, for the rediscovery of one's own self. Something that may not seem easy at first glance, but nothing could be further from the truth. These colors make it even easier to create the most creative designs – whether you prefer cable knitting, openwork or just simplicity. It does not matter, because each design offers you just that little extra you need to feel strong again. These feminine designs will help you regain your inner power.

Step into this world and let yourself be seduced by our virtual garden. You will immerse in rich, warm earth tones... Think of cognac, subdued rosewood, warm olive hues mixed with playful lilac, and heavenly blue. The colors may remind you of a wild and rich garden. The designs are modern and classic. Most surprising combinations are created by combining different colors. Cardigans, pullovers or just a bag in your favorite color. In this world, we don't color within the lines, we go beyond. Do you opt for a tweed look or do you prefer soft breathable linen instead - or are you just looking for that little bit of extra shimmer...? The choice is endless.

WOOLADDICTS

BY LANGYARNS

Jennifer Koch / London

The yarn is for knitters,
what is the stone for sculptors,
the wood for carpenters and the fabric for tailors.
In the best case a source of inspiration,
but at least the raw materials for realising creations.

For several years LANGYARN is collaborating with Jennifer Koch.
First Jenny was modelling for the FATTO A MANO productions.
Jennifer, raised in Germany and daughter of German-Korean parents,
is not only working as a model,
she also graduated with a Master in Knitwear Design
at the Royal College of Arts in London.
The 2021 spring/summer WOOLADDICTS collection is designed by Jennifer
and inspires through the profound understanding
of shapes and stitches of the designs.

WOOLADDICTS

BY LANGYARNS

THIS IS THE SECRET TO HAPPINESS...

Do not adapt yourself but accept that your differentness is what makes you beautiful. You are unique!

To be proud of yourself means to be proud of every step you take.

That includes knitting mistakes.

You are like a secret garden, a hidden gem. Nurture your soul and buy yarn!

Read that again. To love yourself is the most exquisite thing you can do.

It is like having this enormous superpower, where you can do anything and still feel unstoppable. As soon as you leave your comfort zone, fun and amazing stuff happens. Find out what needs to be changed on your own terms to be perfectly happy. Let joy be your goal and remember that ultimate happiness means to create something you can wear with pride.

WE OFFER YOU THE MOST PERFECT RAW MATERIAL FOR YOUR CRAFT(S).
THE REST DEPENDS ON YOU - WOOLADDICTS.
