SUMMER COMFORT *New*

Have fun knitting and crocheting bikinis, tops and baby clothing with Summer Comfort, a soft and cool yarn ideal for the summer. This fine cord type yarn is made in a blend of polyamide and viscose. As a result, its elasticity makes it a perfect choice for fitted tops and beach wear. The viscose rich composition ensures that the knit and crochet garments are cool and lightweight. Furthermore, we have applied an antibacterial treatment to Summer Comfort that creates a protective barrier on the surface of the yarn. Avoid the spread of germs and fungi thanks to this antibacterial yarn that ensures the best care for our skin. The treatment prevents the absorption of unpleasant odors and strengthens the properties of cleaning agents throughout the washing process. Note: the duration of this treatment is effective for approximately 25 washes. What are you going to knit or crochet with it?

YUCATÁN *New*

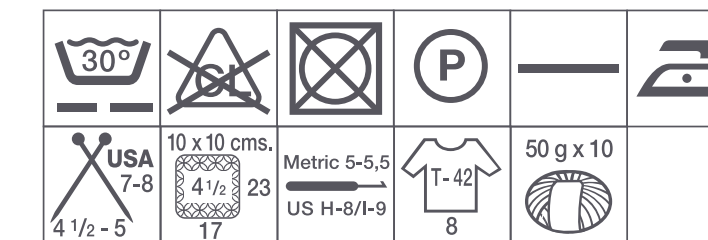

Knit or crochet summer garments in rustic textures and nuanced colour tweeds which are more usual in winter designs. An exterior yarn joins the strands that make up this tweed effect yarn with an agreeable handle. Thanks to this construction we achieve a thicker yarn, but with a lighter weight.

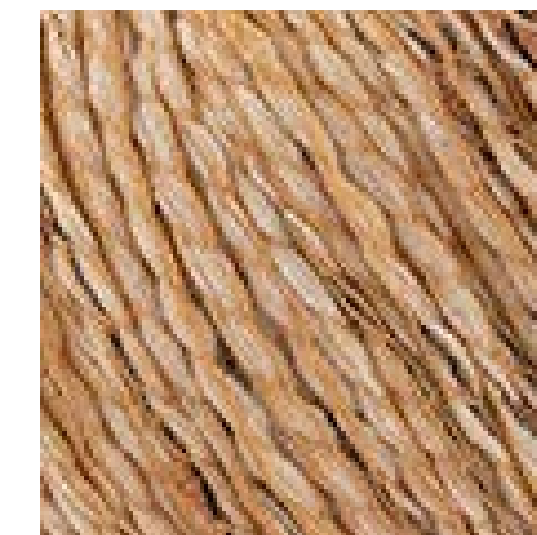

Knit garments for those cooler nights or for between seasons. Furthermore, the ease in which it can be washed in the machine makes it a perfect yarn for kid's jumpers and jackets.
